

Trust in the Lord
with all your heart.

Do not depend on your
own understanding.

Seek his will in
all you do,

and he will show you
which path
to take.

Proverbs 3 vs. 5 & 6

Each year the Seventowers Benefice adopts a Bible verse to encourage us all on our journey together in Christ. As we continue to develop our vision for the Benefice, for 2017 we have chosen this verse from Proverbs.

Pin up this card somewhere in your home where you can be reminded of its wonderful truths every day!

Our Benefice exists to love and serve God by
“Connecting people to God and to one another
through the transforming love of Jesus Christ”

This mission statement is expressed in our logo
– hands connected together in the shape of a cross.
